

MOVEMENTS AGAINST INJUSTICE

Case Study Graphic Organizers

Each student is required to fill out 4 Graphic Organizers by the dates on the project calendar. This assignment is required because it is fundamental for our project that all students have a background on a variety of different events and movements within the American Civil Rights Movement as well as other movements against injustice. These graphic organizers will provide you with helpful notes to refer to when writing your paper as well as working on your final projects.

Requirements:

- 4 Graphic Organizers
 - At least 2 of the Graphic Organizers must be on the American Civil Rights Movement
 - At most 2 of the Graphic Organizers can be about the movement of your choice
- Due dates:
 - 1 - April 24
 - 2 - May 1
 - 3 - May 4
 - 4 - May 9
